## **Education**

- Master of Science in Media Technology, Linköping University, 08.2013 – current  
B.S. + M.S. Media Technology and Engineering (year 3 of 5).  
Main focus on visualization, computer graphics and image processing.
- Academic year abroad, Singapore National University (NUS) (08.2016 – 05.2017)  
I am currently planning to have one year abroad as part of my M.S. education at LiU.
- Film production, Sundbyberg's Folk High School, Stockholm, 08.2012 – 05.2013  
Nature Science, Per Brahe High School, Jönköping, 08.2008 – 06.2011
- 

## **Work experience**

- Form teacher, Linköping University, Norrköping 07.2015 – 11.2015  
I guided one of the new MT-classes during their first few months at the University and made sure they felt welcome and understood the system.
- Salesman, Media Markt, Norrköping 06.2015 – 08.2015  
Summer job at the TV/HiFi department.
- Mathematics tutor, Linköping University, Norrköping 09.2014 – 04.2015  
I held lessons for the MT-students in year one and helped them in three different mathematic courses.
- Care staff at different companies, Jönköping 05.2011 – 08.2014  
Four different jobs reining from full time to summer job as everything from personal assistant to substitute teacher.
- 

## **Other engagements and achievements**

- Student ambassador for CAwards 2016 01.2016 – current  
As an ambassador I promoted CAwards for student at different universities in Sweden.
- Winner of East Sweden Hack 2015 09.2015  
I was part of the team that won grand price *Best Project* at the 24h hackathon ESH15 with the project *Trygga*.

Paymaster for the Media Technology Days 2016 07.2015 – current

MTD is the biggest career fair for students in Norrköping. MTD is two days filled with a company fair, lectures, workshops and other events. It ends with a much appreciated banquet.

Welcoming committee for LinTek 01.2014 – 01.2015

LinTek is the Student Union for the Institute of Technology at Linköping University. I was responsible for the activities during the welcoming weeks for the new students in August 2014.

Various positions in student organizations 09.2013 – current

During my time at the university I've been involved in a lot of different organizations apart from the already mentioned. For example I've been: activity leader in NAFFI, event planner in Stubinen, event planner, bouncer & bartender at Trappan, class representative and caucus for the MT sectional board.

Confirmation leader Wilderness group, Sofia Assembly, 09.2007 – 09.2010

*Junior Counselor* (JC) at a CISV Village in Stockholm, 06.2008 – 07.2008

---

  - ❖ Spanish: A1
- 

### Skills and interests

I have a lot of interests and I like to keep preoccupied with different projects. I don't have a favorite programming language but I've got most experience with the ones listed below. Besides programming I like to be active in sports, especially basketball. I also like to go hiking, make short films and to photograph.

**Programming:** C++, Java, OpenGL, OpenCL, JavaScript, Web development, Android development, Matlab, Git and SGCT.

**Creative skills:** Premiere Pro, Cinematography, Photography, After Effects, 3Ds Max and Photoshop.
